SUBJECT: Hearing on Adopting the 2008 NEC, Testimony from David Dini

Dear Judge Luis:

I have been provided with a transcript of my testimony from the hearing on adopting the 2008 NEC for Minnesota on May 13, 2008. Reviewing my testimony on page 116, lines 1 - 3, the transcript states, "... everyday lightening event occurrences should not cause the AFCI to trip like it did in the past." Since this portion of the testimony pertained to the subject of ground-fault circuit-interrupters (GFCIs), I believe my reference in line 3 to "AFCIs" should read "GFCIs."

Thank you for this consideration.

Dave Dini
